

Lewisville-NAU hosts Quarterly Lunch & Learn for Students (March 4, 2016)

NAU-Lewisville's Winter Quarter Lunch & Learn, held March 4, 2016, had a great turnout. Held each quarter, all active students are invited by phone and email. Dan Irvin, Campus Director, and his staff, provide an update on campus happenings, answer questions, and introduce students to the entire staff. Time is also afforded to students to introduce themselves to staff and to fellow classmates. Student participants enjoy lunch and goody bags, and benefit from these networking opportunities.
