

## Sabrina Kastur

### Owner, Skin Deep Face and Body Spa (Sioux Falls, SD)

To realize her dreams, Sabrina (Trasmonte) Kastur knew she needed to learn more about business. In 2006, she took a major step forward by enrolling in NAU's Applied Management program.

In just two years, she earned her Bachelor of Science in Applied Management from NAU's Sioux Falls campus.

"When I graduated with my degree, I wasn't sure how or when I could start my own business," reflected Sabrina, a 2008 graduate of NAU-Sioux Falls. "I had two young children and was in my 40s. I worked hard to get my degree, but loved it."

Nine years later, Sabrina, also a licensed esthetician, has opened her own skin salon. *Skin Deep Face and Body Spa* in Sioux Falls opened on Tuesday, February 23, 2016. The spa features two treatment rooms and a comfortable waiting room.

Sabrina enjoys giving her clients a break from their stressed and fast-paced lives.

"Being a licensed esthetician is just a job for some, but not for me," said Sabrina. "I love the science behind health and beauty, and helping others improve their skin and overall health."

Although Sabrina loves what she does, she also recognizes that she is running a business, something she credits NAU with helping her accomplish.

"Thanks to NAU, I have the knowledge to be confident and independent. I have the necessary skills to advertise and promote my business. NAU nurtured my entrepreneurial spirit with skills and practice to take on such a challenging task."
