

KAU Graduate Spotlight

NATIONAL AMERICAN UNIVERSITY

Tami Bremer, Registered Veterinary Technician '00, A.A.S. Veterinary Technology (Rapid City, SD)

Tami was born and raised mostly in Aberdeen, SD, and her first career was as a hair dresser after graduating from Stewarts School of Hairstyling. She moved to Rapid City in 1996.

She was fortunate enough to start working at Canyon Lake Veterinary Hospital (CLVH) while attending National American University and became a full time vet tech upon graduation in 2000. Her role in the clinic has evolved over the years, and she became the Practice Manager in July of 2012.

Tami enjoys working with owners in all aspects of pet health, especially puppy development and training. She is also interested in the technological aspect of veterinary medicine, for example, computers, software and various equipment. She has also developed quite an interest in dentistry. As a senior staff member, she brings years of experience to the CLVH team.

In addition to her work at CLVH, Tami is also the Practice Manager at the Mountain View Animal Hospital in Rapid City, SD.

Her varied interests outside the veterinary field include scrapbooking/crafts, photography and swimming. Tami also enjoys spending time with her husband and daughter.
