

Privacy Policy

Thank you for visiting our web site. The National American University Foundation recognizes the importance of protecting your privacy and the information that you share with us. Described below is our policy on the collection, use, disclosure, maintenance and protection of personal information that you provide to us through this website. Please read this privacy policy before using the site or submitting any personal information. By using the site, you are accepting the practices described in this privacy policy.

Note: the privacy practices set forth in this privacy policy are for this web site only. If you link to other web sites, please review the privacy policies posted at those sites.

Collection of Information

We collect personally identifiable information, like names, postal addresses, email addresses, etc., when voluntarily submitted by our visitors. The information you provide is used to fulfill your specific request. This information is only used to fulfill your specific request and for exclusive use by the NAU Foundation and NAU. Your information will never be sold. It will only be shared as described herein.

Cookie/Tracking Technology

The Site may use cookie and tracking technology depending on the features offered. Cookie and tracking technology are useful for gathering information such as browser type and operating system, tracking the number of visitors to the Site, and understanding how visitors use the Site. Cookies can also help customize the Site for visitors. Personal information cannot be collected via cookies and other tracking technology, however, if you previously provided personally identifiable information, cookies may be tied to such information. Aggregate cookie and tracking information may be shared with third parties. You may adjust your Internet browser to disable the use of cookies and scripts; however, some features of this website may not be available without the use of cookies and scripts.

Distribution of Information

We may share information with governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or, (2) trying to protect against or prevent actual or potential fraud or unauthorized transactions; or, (3) investigating fraud which has already taken place. The information is never provided to these companies for marketing purposes.

Commitment to Data Security

We use industry-standard security measures to protect any personal information that you may provide to us. However, we cannot guarantee that your submissions to our website, any content residing on our servers, or any transmissions from our server will be completely secure.
